2008 Scholarship Information & Application

Each year our tuition is calculated based upon our projected costs. We do not ask paying students to pay for non-paying students. **Therefore, scholarships are not part of our budget.** However, each year a few caring individuals & organizations do volunteer to assist deserving students who are truly disadvantaged financially. Most often our scholarship sponsors specify students of their own choice; however a few contribute to our scholarship fund & entrust the choice to us. We recommend that applicants exhaust appeals to their respective schools, service clubs, & music support groups before applying to Sierra Mountain Music Camp. Nevertheless, a strong recommendation from a student's music teacher, instructor social worker or pastor with personal knowledge of a student's financial need & deserving qualities will be favorably considered. A committee elected by the board will review applications & available funds. In conclusion, we recommend:

1. State the amount of tuition you can afford.
2. **Please provide recent W-2 or tax return, unemployment or disability check stub, or other evidence of financial hardship.**
3. List any other summer camps (church, music, school, sports, etc) you plan to attend.
4. Obtain a letter of recommendation from teacher or instructor or pastor who knows of your financial hardship.
5. State the efforts you have made to obtain assistance from other sources (i.e.) schools, grandparents, & service clubs in your communities such as Rotary, Kiwanis, & Lions etc.

Please tell us more about yourself so that we can evaluate whether you meet criteria of scholarships.

The board will only consider applications for scholarship accompanied by a completed pre-registration form, supporting documentation and a \$75.00 deposit, which can be refunded if your scholarship is denied.
